Bachelor of Technology in Computer Science Engineering (with specialisation in Data Science and Analysis), 2023-2027, DIT University, Dehradun, Uttarakhand

CGPA: 8.12

Intermediate (CBSE) | 2022-2023

84.8% | Gail D.A.V. Public School

Matriculation (CBSE) | 2020-2021

91% | Gail D.A.V. Public School

Skills

Programming languages: Python, HTML, CSS, JavaScript, ReactJS, Java

Web Development Libraries: ReactJs, NodeJs, Express, Tailwind

Design and Creation: Video Editing, 3d modelling and animation, Content Writing, Web design, Poster Design.

Projects/Portfolio

- **VibeOn Music Player:** My most versatile web dev project yet. A fully functional music player that hosts songs from its own server and streams it on your device. It allows you to create account, create and edit playlists all with a smooth and responsive UI. Utilises web dev concepts like NodeJS, and Express.
- **Job Application Portal:** A full-fledged job application project where users can create/apply for jobs, view candidate resumes and more. **TechStack:** HTML, CSS, JS, Tailwind, ReactJS, MongoDB
- **Customer Sentiment Analysis model:** Trained a custom Customer Sentiment Analysis Model on an amazon alexa reviews database. **TechStack:** Python, Scikitlearn, numpy, pandas

Certifications

Database Management Essentials: University of Colorado Boulder (*via Coursera*)

Skills: SQL basics, relational databases, ER modelling

Linux Fundamentals: LearnQuest (*via Coursera*)

Skills: Linux Commands, file systems, permissions, shell basics

Co-Curriculars

- Was part of the college technical team and web dev team twice during annual techno-cultural fest.
- Runner up at robo soccer competition held at the annual techno cultural fest.
- Participated in technical fest at IIT Roorkee.

Roles and Responsibilities

- Worked as Social Media Head at IEEE Student Branch DIT University.
- Currently Content Creation and Video Editing Head at Unstop Igniters Club DITU.

Hobbies

- Listening to music
- Reading Novels
- Travel
